Bilateral Meetings

- (11a.m. ⏵ 1p.m.)
- (1.30p.m. ⏵ 3.30p.m.)

Description

InterWorks is an IT company based in Bitola, Macedonia with 80+ full time employees and experience of 12+ years. We have vast experience in the following technology practices:

- **Integration** (Tibco, Mulesoft, SnapLogic)

- **Custom application development** (Java/Spring, .Net). We are proud to state that we have developed FYnderFY , a powerful e-learning social network

- **QA** (SoapUI, JMeter, Selenium, Parasoft SOAtest etc.)

- **Cloud services** (Amazon AWS)

Our clients come from EU and USA and our teams are Agile with SCRUM as dominant and preferable Project Management methodology. Located in Europe, three hours flight distance from most European countries, 80+ English speaking employees, 12+ years of experience in different projects in various industries (Banking, Healthcare, Telecommunication, Education etc.), more than 150 successfully completed projects, 70% returning clients, trial periods, official partner of SnapLogic, Atlassian and Microsoft, ISO certified and always open for new challenges. Our vast experience gives us the opportunity to design and develop custom solutions utilizing methodologies that can help our partners/clients perform tasks better, faster, more efficiently and more effectively, empowering them to outsmart their competition.

We will be pleased to meet you and have an opportunity to present our work to you.
