Bilateral Meetings

- (11a.m. - 1p.m.)
- (1.30p.m. - 3.30p.m.)

Description

We are a Romanian start-up company and we specialize in:

- web and mobile development- 3D/prototype modelling- animation and video production.

We have worked with clients from all over the world, from Australia to Finland and we believe in long-term collaboration.

Even though our company was founded this year, we have more than 10 years experience in the aforementioned domains.

Request

3D Modelling/Prototyping and Animation

We are looking for other companies and institutions which are in need of professionals in 3D modelling, prototyping and animation and who are open to outsourcing.

Keywords: 3D 3d modelling animation prototyping

Cooperation Requested

1. Outsourcing co-operation
2. Other

Offer

Animation/Video production

From 3D animation to whiteboard style animation, we have done it all. One project we are very proud of was a very complex 3D animation video which we did for a company that used the video in a pitch to Google. One of our latest projects was a whiteboard style animation video which we did for a Finnish company.

We also have a lot of experience in video production. We have filmed and edited footage for numerous events and festivals all over Transylvania.

Offer

3D Modelling/Prototype design

We have done a lot of 3D modelling and prototyping projects over the years. We have done simple modelling (pencils, etc.) and even very complex drone modelling and animation. Whether you are looking for a simple 3D model or a complex prototyping project, we're here to help.
